

## Today is a wonderfully unique day.

There has never been - nor will there ever be again - a day quite like it.

Sometime in eternity past, God planned for every single detail of this day. His plan included every aspect of the entire universe - both large and small - and with perfect timing, wisdom, and understanding His plan was made. It will flow out of His plan book and into our experience.....today.

Included in His plan is a person called "you". Yes, you, are in the plan of God on this wonderfully unique day.

According to Holy Scripture, He wrote His plan for you before you were even in existence. He conceived it before you were conceived and before He formed you in your mothers womb, He wrote it in His book. [Psalms139:13-16]

Today, He will bring His plan out into our experience.....it will be a wonderfully unique day.

While the world will think that the various happenings of this day are simple incidents of nature or random accidents of fate, ***"we know that God causes all things to work together for good to those who love God, to those who are called according to His purpose."*** [Romans 8:28]

Today is pregnant with the glorious plans of a good, great, and glorious God. Today He will give birth to fresh experiences of HIS abundant LIFE for those who know and love Him. That is why we celebrate expectantly on this wonderfully unique day.

***"I will bless the LORD at all times: his praise shall continually be in my mouth. My soul shall make her boast in the LORD: the humble shall hear thereof, and be glad. O magnify the LORD with me, and let us exalt his name together. I sought the LORD, and he heard me, and delivered me from all my fears.*** [Psalms 34:1-4 <A Psalm of David, on a 'bad' day.....when he changed his behaviour before Abimelech; who drove him away, and he departed.]
