

**REMINDER: NO food pantry this week.**

## ONE MAN

**Noah** was just one man who in obedience to God worked a major part of his life building an ark to save his family and a few animals. His obedience resulted in the salvation of the entire human race. Just one man.

**Abraham** was just one man who through a life of faith and obedience brought blessings to his family, his nation, and eventually to the nations of the whole world. The blessings released by just one man, Abraham, are still reverberating around the world today. **Just one man.**

**Moses** was just one man who lived a life of fumbling and often reluctant obedience brought a whole nation out of captivity and led that nation of slaves to the borders to their promised land. The laws which he wrote are found incorporated in many national constitutions.

**Just one weak man.**

**Esther** was just one woman who risked her life in daring obedience and saved a nation. **Just one woman.**

**Paul** was just one man who laid his life down before the Lord, and by His grace and favor raised up a multitude of churches in the first century and wrote two thirds of the New Testament. That one life, that one man, still speaks to millions today **Just one man.**

Today, God is seeking for a man or a woman who will dare to believe Him and follow him into obedient activity which will breathe life into hundreds, and thousands, and even millions of people. God can do miracles with just one yielded vessel. God can change whole nations and the course of history.....**with just one man or just one woman.**

**There is no limit to what God can do with you and through you.....if you will allow him that opportunity.** Today whole nations are stumbling into a dark abyss. The very fabric of civilizations are unraveling while we watch in horror. The need is just one man or one woman who will sell out to God.

Isa 60:1-3

*"Arise, shine; for your light has come,  
And the glory of the LORD has risen upon you.  
"For behold, darkness will cover the earth*

*And deep darkness the peoples;  
But the LORD will rise upon you  
And His glory will appear upon you.  
"Nations will come to your light,  
And kings to the brightness of your rising.*

Yesterday, we heard the urgent call of God for one man or one woman to stand in the gap.

The need is for just a few to stand in the gap for peoples and nations.

Who will hear and heed the call?

Who will serve the LORD?

**Will you?**

This Thursday our nation celebrates the Declaration of Independence.

**We along with our forefathers celebrate and declare our Dependence upon God**

**ONLY GOD can free us from bondage to men, sin, and devils.**

**One man or one woman plus the one God can make the difference.**
